Year 1

Term 1

Teaching Beliefs:

I believe that every student has potential. As a teacher it is my job to harness this potential as much as it is possible. I believe the best teachers are those who know their students and how they learn best. As educators we acknowledge, appreciate, and respect our students' differences. Our students' diverse intelligences, talents, skills, interests, and backgrounds enrich our school and our lives as teachers.

My Vision:

I strive for opportunity and success and promote excellence in Learning and Teaching.

I aim to:

- Create an engaging, motivating, and intellectually stimulating learning experience.
- Encourage the spirit of critical inquiry and creative innovation.
- Encourage students 'to have a go' and take risks.
- Be responsible of their own learning.
- Provide students with realistic but challenging goals and recognising the effort they put towards achieving these goals.
- Promote team work and value each students' contribution.
- Provide a stimulating classroom environment that generates active interest in topics.
- Use ICT to increase student choice and flexibility with respect to their learning.

Parent/Teacher Meeting:

There are two parent teacher meetings that are set for parents through the year, one at the end of Term 1 and one at the end of Term 3. Parents will have the opportunity to meet with the teacher. If you would like to meet outside these appointments, parents are welcome to organise child's teacher in the morning before assembly or after school.

School Uniform:

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their college. Issues of equality, health and safety are also factors that contribute to the establishment of the Uniform Policy.

- 1) It is compulsory for every student to have a minimum of 2 sets of school uniform, 1 jacket/blazer and 1 pair of sports uniform.
- 2) All uniform items are to be named, preferably on the tag.

School Library

The school library is available for students to use during our designated time once a week. Students are able to borrow one book per week. Students are encouraged to read the books they borrow at school and at home.

Assessment and reporting

Your child's progress is monitored during the year through formal and informal assessments. Teachers constantly assess and record the assessment to gauge their understanding and competency.

You will receive a detailed written report at the end of term two and term four. You will also receive an interim report at the end of term one and term three. In addition to the written reports, at end of term one, two and three you will have the opportunity to formally discuss your child's progress with his/her teachers.

Parental Involvement

It is crucial that the parents involve themselves in the upbringing (Tarbiyah) of their children. They can do that by ensuring that they provide an atmosphere in the home that is conducive to the Islamic spirit. The parents should endeavour to become embodiments of Islamic teachings in order to encourage their children to do the same.
